Indigita awarded twice at the Third Annual WealthBriefing Swiss EAM Awards 2023

Geneva, 13 March 2023 - Swiss regtech company Indigita SA, a member of BRP Group, has won the accolades for "Best Overall IT Solution Provider" and, for the second time in a row, "Best Compliance Solution" at this year's Third Annual *WealthBriefing* Swiss External Asset Management Awards. The two recognitions honour Indigita's continuous efforts in developing leading regulatory cross-border compliance solutions for financial institutions and intermediaries.

The Third Annual *WealthBriefing* Swiss EAM Awards 2023 took place on 9 March at the Park Hyatt hotel in Zurich. The programme is based on an independent jury, which is made up of representatives from custodian banks, technology companies and other service providers to recognise outstanding organisations in the Swiss region that stand out for their innovation and excellence.

At this year's edition, Indigita was distinguished with two accolades in the technology category; one for "Best Overall IT Solution Provider" and a second for "Best Compliance Solution", which Indigita won for the second time in a row.

Indigita's CEO Achille Deodato said about the company's success: "Indigita is a young and fast-growing software company, acting as a game changer in the Swiss market. On the one hand, this double recognition confirms our leadership position as a regtech company providing digital cross-border compliance solutions in a highly complex regulatory environment. On the other hand, the awards are clear evidence of the trust financial institutions and intermediaries put into our digital tools."

ClearView Financial Media's CEO and Publisher of *WealthBriefing* Stephen Harris commented: "The organisations and individuals who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations to the winners and to those who have put so much work into each winning submission."

Each year, the *WealthBriefing* awards recognise the very best operators in Swiss wealth management, with independence, integrity and genuine insight, in a way that the awards truly reflect excellence in Swiss wealth management.
